

I am Powerful!

Author Unknown

I am very powerful!
Whatever I set my mind on having, I will have.
Whatever I decide to be, I will be.
The evidence is all around me.
The power of my will has brought me precisely to where I am right now.
I have made the choices, I have held the thoughts.
I have taken the actions to create my current reality.
And I have the power to change it into whatever I want it to be.
With the choices I make, I am constantly fulfilling the vision I have for my life.
If that does not seem to be the case—
Then I am deceiving myself about what I really want.
Because what I really, truly want, I will get!
What I truly wanted in the past, I already have.
If I want to build a billion-dollar business, I will take the actions necessary to do it.
If I want to sit comfortably watching TV night after night—
I will take the actions necessary for that.
Don't be disappointed in my results—
They're just the outward manifestation of my priorities.
I will be sure of what I truly want,
Because I am sure to get it!

I _____, Truly want

I understand that if I really, truly want something I can get it. I am very powerful, and whatever I set my mind on having I will have!!
